From Most Reverend Louis Tylka: We are approximately one week from Election Day. Many voters are still discerning the candidates for whom they will vote. As Catholics we are to engage in the political process and to vote our conscience. Let me remind you that we engage in the political process through healthy debate of issues, not through endorsements of any kind, for any political party or for any individual candidate. Catholics can be directed to the document Faithful Citizenship from the USCCB. Together, let us pray for our nation and for all the candidates who are willing to be considered for public office.
